Sir:

In response to the Notice of Allowance dated September 11, 2007, Applicant concurrently files an Information Disclosure Statement herewith, citing U.S. Patent No. 5,000,734, which was first brought to Applicant's attention by the Examiner at the June 5, 2007 personal Examiner Interview. This patent was discussed in the Examiner Interview Summary Record and in the Amendment filed on June 20, 2007.

In September 19 and 20, 2007 telephone conferences between Applicant's representative and the Examiner, the Examiner acknowledged that she meant to cite the reference in a Form PTO-892 but had inadvertently failed to do so. Further, the Examiner stated that she could not rectify this situation as the file was no longer in her possession. The concurrently-filed IDS is meant to indicate that U.S. Patent No. 5,000,734 should have been made of record.
